EXPERIENCE

ProActive Resources

Consultant | June 2017 to present

Responsible for financial application development in the LAMP stack, as well as Front-End lead.

vmware

Senior Software Engineer & Scrum Master | June 2015 - June 2017

Responsible for full lifecycle design and development of AirWatch's portal applications that allow for automation of processes and access for external customers. Work in a fast-paced, Agile-based environment and focus on cutting-edge distributed SaaS-based applications. Expand existing capabilities and engineer new projects from scratch.

Shoutlet

Senior Software Engineer & Scrum Master | June 2014 - June 2015

Work as an Engineer and Scrum Master in order to improve Shoutlet's Social Media analytics capabilities. This includes adding new features (and debugging existing ones) which interact with various Social Media APIs, such as Facebook, LinkedIn, Twitter, Sina Weibo. Also involves debugging issues, generating dynamic charts based on big data, and architecting better methods for handling data and changes.

Oracle

Software Engineer | February 2013 - June 2014

Acted as Lead on a Scrum team to architect and build Oracle's Paid Media product, which allows better management of Facebook ad buying.

Salesforce

Software Engineer | November 2011 - February 2013

Application development in PHP on Symfony MVC Framework. Database and query optimizations in MySQL. Server administration on linux machines. Technical Product Support.

EDUCATION

Pennsylvania State University - Studies focused on the software development life cycle, IT project management, database design, human-computer interaction, and data mining. Created working prototypes for numerous web site and desktop projects, as well as an Android-based smartphone application.

MS Software Engineering | September 2007 - May 2010

East Stroudsburg University - This program concentrated on the history, geography, and political systems in Latin America. Also minored in Computer Science and studied hardware configuration, software development, and system security.

BA International Relations | September 1998 - December 2011

SKILLS

About me

A proven record of success in designing, developing, and documenting new innovative applications. Coordinated projects while working with people of varying position and functional areas while consistently streamlining business processes and managing multiple projects delivered on time. I possess exceptional communication and presentation skills and the ability to develop and lead high-performance teams. Human Dynamo and moral booster. I don't like to pigeonhole myself. I pride myself on the fact that I'm
