EXPERIENCE

ProActive Resources
Consultant | June 2017 to present

Responsible for financial application development in the LAMP stack, as well as Front End lead.

vmware
Senior Software Engineer & Scrum Master | June 2015 - June 2017

Responsible for full lifecycle design and development of vmware AirWatch's portal applications that allow for automation of processes and access for external customers. Work in an Agile-based environment and focus on distributed SaaS-based applications. Expand existing capabilities and engineer new projects from scratch. Led teams throughout the Scrum process and worked as both Front End and Full Stack Engineer on various projects.

Shoutlet
Senior Software Engineer & Scrum Master | June 2014 - June 2015

Work as an Engineer and Scrum Master in order to improve Shoutlet's Social Media analytics capabilities. This includes adding new features (and debugging existing ones) which interact with various Social Media APIs, such as Facebook, LinkedIn, Twitter, Sina Weibo. Also involves debugging issues, generating dynamic charts based on big data, and architecting better methods for handling data and changes.

Oracle
Software Engineer | February 2013 - June 2014

Acted as Lead on a Scrum team to architect and build Oracle's Paid Media product, which allows better management of Facebook ad buying.

Salesforce
Software Engineer | November 2011 - February 2013

Application development in PHP on Symfony MVC Framework. Database and query optimizations in MySQL. Server administration on linux machines. Technical Product Support.

Thomas Jefferson University Hospital
Software Developer | December 2008 - November 2011

Developed hospital intranet-based applications using the LAMP stack and ColdFusion.

The Keane Organization
Applications Developer | July 2007 - December 2008

Developed internal applications and additions to MSCRM. Microsoft .NET and SQL Server Development

ABS, Inc
Operations Manager (Contract) | March 2007 - July 2007

Maintained and updated all office systems, including Windows 2000/2003 and SQL 2000 servers. Provided desk-side technical support to employees (hardware installations and software updates). Created and managed e-commerce sites for clients.

HostMySite.com
Technical Support Representative | January 2007 – March 2007

Communicated with customers via phone and email in order to assist them with client-side application configuration questions (email, FTP, MS FrontPage, Dreamweaver) and server-side issues (SQL Server, MySQL, SSH/FTP, Apache, IIS, PHP).

Caliper
Quality Control Associate | December 2005 – January 2007

Ensured accuracy in business reports for clients. Developed MS Word macros to help department employees improve productivity.

Bangor Area High School
Substitute Teacher | March 2005 – June 2005

Taught classes as a long-term Substitute Teacher for their Spanish curriculum.

La Universidad Og Mandino
English Professor | September 2004 – December 2004

Worked as the Head English Professor and designed the language curriculum for a small university in Quito, Ecuador.

EDUCATION

Pennsylvania State University - Studies focused on the software development life cycle, IT project management, database design, human-computer interaction, and data mining. Created working prototypes for numerous web site and desktop projects, as well as an Android-based smartphone application.
MS Software Engineering | September 2007 - May 2010

East Stroudsburg University - This program concentrated on the history, geography, and political systems in Latin America. Also minored in Computer Science and studied hardware configuration, software development, and system security.
BA International Relations | September 1998 - December 2011

SKILLS

Also proficient in Adobe Photoshop and Illustrator, grew up bilingual (English and Klingon).

About me
A proven record of success in software design and development, as well as process improvement. I possess exceptional communication and presentation skills and the ability to develop and lead high-

performance teams. Human Dynamo and moral booster. I can be the Swiss Army Knife of any team: I
